SOIL CONDITIONERS & CLAY

A Turface MVP Field Conditioner

Maintain a smooth, playable surface for superior traction and player safety. Absorbs excess moisture and improves drainage. Prevents infield compaction.

55011010

B Turface Pro League Field Conditioner

Smaller, more uniformed particles with moisture-absorbing properties, which will improve footing and help prevent rainouts.

Ewing SKU	Type
55011210	Natural Tan
55011310	Red
55011410	Heritage Red
55011510	Champion Brown

C Turface Pro League Elite Infield Conditioner

Features the most consistent particle size for infield conditioners. Provides drainage and absorption qualities for maximum rainout protection, while preserving an optimum balance of moisture in an infield mix. Standard color is Natural Tan, additional colors available upon request.

55011215

D Turface Quick Dry

Fine particles quickly absorb puddles and mud on skinned infields. Just dump and rake to make your infield safe and playable.

55012410

E Turface Professional Mound Clay Elite

Easy to mold and ready for use right out of the bag. Gumbo gray possess high level of tackiness. 50-pound bag.

55013030

F Turface Professional Mound Clay

Easy to mold and ready for use right out of the bag. 50-pound bag.

55013010

G Turface All Purpose Clay

An alternative to packing clay. Excellent additive to soft, sandy areas of the infield or for construction and repair of mound and plate areas. 50-pound bag.

55013020

H Turface MoundMaster Blocks

100 percent virgin clay blocks deliver long-lasting performance. Sized right for building boxes and pitching mounds from the ground up. Eight blocks per bag.

55013210

I Field and Fairway

Uniformed particle size blend holds air, water and nutrients at the root zone. Reduces compaction and improves water drainage. Ideal for heavy traffic areas near soccer goal mouths. 50-pound bag.

Ewing SKU	Type
55010510	Natural Tan
55010610	Emerald Green

A Pro's Choice Red Infield Conditioner

This durable granular helps create passageways for drainage and eliminates compaction for truer bounces and safer play. Granule size 5 x 20.

55013310

B Pro's Choice Select Premium Infield Conditioner

Keeps infields smooth, safe and resilient. Specially sized granules and red color make the perfect infield topdressing. Granule size 8 x 16.

55013410

C Pro's Choice Pro Red Infield Conditioner

This premium topdressing is formulated for uniformed particle size and durability. It's the only deep red conditioner that maintains its rich color to achieve a championship look. Granule size 8 x 16.

55013510

D Pro's Choice Pro Blend Infield Conditioner

Combines the most natural red color and highest durability available. Granule size 5 x 10.

55013610

E Pro's Choice Rapid Dry Infield Drying Agent

Sand-like granules quickly wick away excess water from your infield. Granule size 16 x 80.

55013710

F Pro's Choice Pro Mound Packing Clay

Blue gumbo packing clay can be used to construct pitcher's mounds and batter's boxes. Allows players to establish footing without leaving large holes. 50-pound bag.

55013910

SEE CHALK ON PAGE 12.

G AquaSmart PRO Polymer Sand

A polymer-coated sand product available in the form of a straight additive for increased moisture retention and growth of plants, flowers, trees and grass/turf with up to 66 percent water saving capabilities.

Ewing SKU	Type
55019000	4-pound shaker
55019010	40-pound bag

H AquaSmart PRO Absorbent Dry Mat

Can be used up to 100 times and will not mold. 24 x 12 x 2 inches. Can absorb up to two gallons of water at a time.

55019310

ProSlide Topdressing

Professional grade expanded shale topdressing creates a smooth sliding surface and ensures more predictable bounces during play. 50-pound bag. Also available in one ton super sacks and bulk.

Ewing SKU	Type	Size
55015100	Classic Red	4 x 30
55015120	Professional Red	6 x 30
55015140	Professional Brown	6 x 30

DuraEdge Professional Infield Mix

Creates a firm, corky playing surface. Blend of 60 percent sand, 18 percent silt and 22 percent clay. Requires access to water to manage moisture content of field. Also available in one ton super sacks and bulk.

55015240

DuraEdge Collegiate Infield Mix

Increased clay content gives a tighter playing surface without additional maintenance. Blend of 67 percent sand, 15 percent silt and 18 percent clay. Requires access to water to manage moisture content of field. Also available in one ton super sacks and bulk.

55015220

DuraEdge Classic Infield Mix

Lower silt to clay ratio to enable a firm playing surface. Blend of 72 percent sand, 12 percent silt and 16 percent clay. Does not require access to water to maintain the field. 50-pound bag. Also available in one ton super sacks and bulk.

55015200

Field Saver Infield Amendment

Conditions, adds clay-content and stabilizes in one application. Improves resiliency, absorption and playability of the surface. Also available in one ton super sack and bulk.

Ewing SKU	Type	Mix
55015265	FS-90	10% medium sand, 90% silt/clay
55015275	FS-75	25% medium sand, 75% silt/clay
55015285	FS-60	40% medium sand, 60% silt/clay
55015295	FS-50	50% medium sand, 50% silt/clay

FIELD MARKING & PAINT

A Turf Paint

World Class paints are environmentally friendly, durable and safe to use on natural grass. Paints include more brightness-enhancing titanium dioxide than any other paint in the industry. Available in 1:1 and 2:1.

Ewing SKU	Type	Size
55050530	Ready-to-use white paint 1:1	5-gallon
55050500	Ready-to-use white paint 2:1	5-gallon
55051010	Ewing concentrated white paint	5-gallon
55051020	Premium concentrated white paint	5-gallon
55052010	Green turf colorant	5-gallon
55052210	DA-GLO goal post paint, neon yellow. Ready-to-use.	1-gallon
Custom colors available.		Concentrated color athletic paint. Recommended mix rate 1:1 or 2:1. 5-gallon

Removable Artificial Turf Paint

Provides bright temporary paint that is easily removable from synthetic turf fields. Custom colors available.

55053015

B EZ Strip Synthetic Paint Remover

Can be diluted up to 5:1. Apply product to synthetic fields with hand pump sprayer (sold separately).

55053020

C Jiffy Paint Mixer

Drill attachment designed to mix without splashing.

55050315

68520018	Softball	3 x 7-foot

A Keson Pro Measuring Wheel

Features a gear shaft driven counter placed above the wheel for better-balanced wheels.

39001310

B 100-foot Fiberglass Long Tape Measure

Made of metal, strip proof gear and has three times high-speed rewind gearing. Blade and housing are rust and break-resistant.

39001350

C Fiberglass Measuring Tape

Durable, long-lasting, vinyl-coated fiberglass tapes with an ABS shatter-resistant case. This open reel tape features easy to wind return.

Ewing SKU	Type
68899007	200-foot
68899006	330-foot
68899005	400-foot

D ProCord Athletic Field String Winder

Thicker, high-strength, braided cotton string line for higher visibility will stretch to pull the line tight. 500 feet.

68599715

E Standard Athletic Field String Winder

500-foot, heavy-duty nylon string winder.

68599710

F Large String Winder

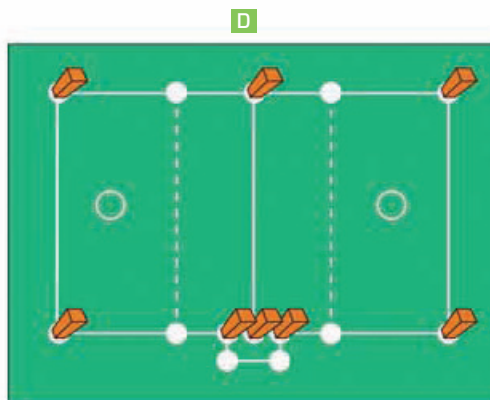

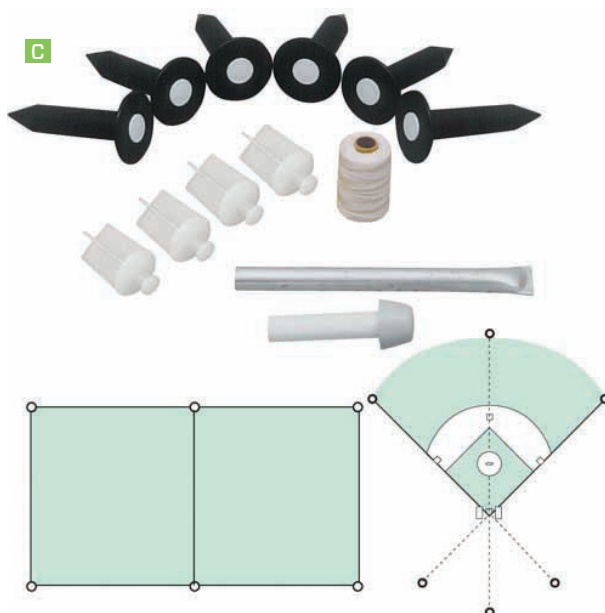

Made from high impact plastic, it holds 740 feet of nylon twine and includes a 10-inch steel spike.

Ewing SKU	Type
68899009	Black Handheld
68899008	Orange Caddy Model

G Twisted Mason Twine

Twisted line works for athletic line and other marking needs.

39005710

A Football Field Layout Set

Mark off a complete football field in 5-yard increments, including goals and hash marks. Includes 50 sockets with plugs and installation accessory kit.

68620080

B Soccer Field Layout Set

Includes 25 sockets complete with plugs, installation tool, 10 field lining pegs, twine and socket setter.

68720080

C Baseball Field Layout Set

Permanently locate left and right foul lines and create a plumb line reference to align home plate, pitcher's mound, second base and center field. Includes six sockets with plugs, four lining pegs, a pilot hole tube and socket setter.

A Bulldog Double-Sided Home Plate

Double-sided home plate designed for both sides to be utilized. 40 pounds of solid rubber and 3 inches thick.

68500350

B Wood Bottom Home Plate

Has no corners or edges to catch your players spikes on. The beveled edges extend down deep into the black border apron. Made with a quality vinyl cover that covers the wood block filler. 3-inch thick (regulation size). Weighs 29 pounds.

68500403

C Waffle Bottom Home Plate

This durable all-rubber plate has no corners or edges to catch spikes and is 100 percent waterproof. Includes waffle bottom.

68500152

D Anchored Pro Home Plate

Includes a stanchion mounted steel plate with a ground anchor. Molded from heavy-duty rubber.

68500101

E Spiked Home Plate

Heavy-duty molded white rubber with black beveled edges. The underside has five spikes for a secure installation.

68500151

F Throw Down Base Set

A complete kit for both indoor and outdoor use. This kit includes three bases, home plate and the pitcher's plate.

68500112

SPORTS FIELDS

FIELD ACCESSORIES HOME PLATES

A Bulldog 4-Way Pitching Rubber

Official size 6 x 6 x 24-inch and has a 3-inch center core. With a total weight of 40 pounds, its solid rubber design makes it durable and long lasting.

68500330

B 4-Sided Pitching Rubber

Hollywood style, professional pitching rubber.

Ewing SKU	Size	Type
68520160	6 x 24-inch	MLB (aluminum internal tube)
68500130	6 x 24-inch	Official (plastic internal tube)
68507130	4 x 18-inch	Youth (plastic internal tube)

C 3-Spike Pitching Rubber

Solid white rubber with three spikes.

Ewing SKU	Size	Type
68500131	6 x 24-inch	Official
68507131	4 x 18-inch	Youth

D Youth Step-Down Pitching Rubber

Eliminates holes in the front of the pitcher's plate for improved footing.

68507132

E Base Anchor Mushroom Plug

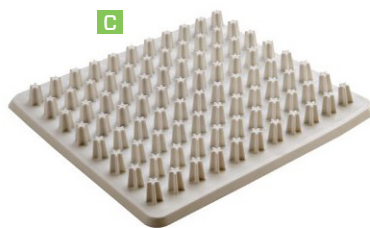

A low cost alternative to plug base anchors for baseball and softball fields.

68500141

F Dig Out Tool

Includes a wooden handle and steel frame.

68500142

A Feathered Base Plug Set

Feathered base plugs keep base anchors clear and easy to find.

68500140

B Bucket Foam Whisker Plugs

Kit comes with 30 whisker plugs in a reusable bucket. The bright color makes them easy to find, especially after dragging your field. The anchor plugs will also protect your base anchors from dirt and debris.

68599775

C Throw Down Cleave Cleaner

Heavy-duty throw-down cleat cleaner pad. Measures 12 x 11-inch. 88 rubber bristles. Holes in each corner for stake-down options and easy to clean up.

68500228

D 8-inch Female Ground Anchor Set

Includes three 8-inch female ground anchors measuring 1 3/4-inch square.

68500144

E C/H Driver Set

Works like a post driver to push C/H anchors into the ground. Set includes three C/H female anchors that are 16 inches long and manufactured from heavy steel.

68500008

F Bolco Double Base Ground Anchor

An all-steel double ground anchor. Works with Bolco double first bases and pitcher's rubber (base and pitcher's rubber sold separately).

68509400

G Double Base Anchor Mount

All-steel 1 1/2 x 1 1/2-inch female anchors approximately 8 inches long and designed to be set in concrete.

68500011

H Hollywood Dual Stanchion Pitching Rubber

Removable pitcher's plate and anchors feature a semi-permanent anchoring system and install easily and quickly. Bolted to pitcher's rubber and slides into anchor system that is cemented into the ground. All-steel stanchion.

Ewing SKU	Type	Size
68500135	Adult	6 x 24 inches
68507135	Youth	4 x 18 inches

I Base Caddy

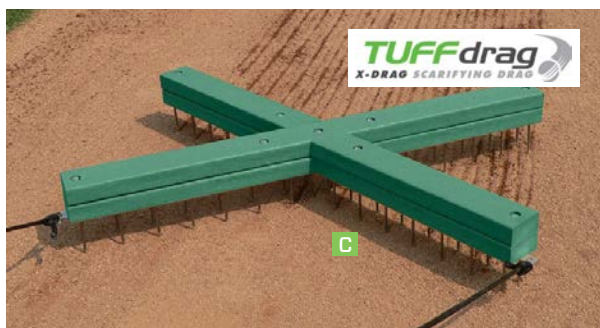

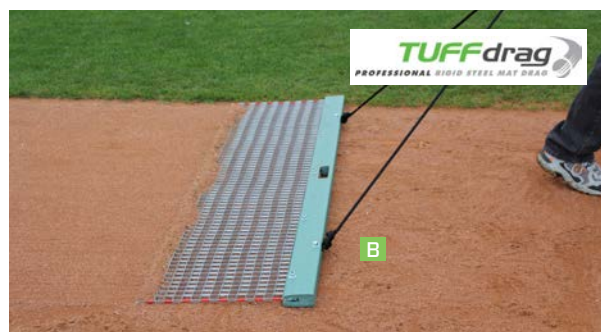

Easily transport heavy bases from field to field or field to storage with this caddy. Manufactured from heavy-duty steel. Includes three posts to accommodate bases with male or female anchors.

68500143

J Steel C/H Anchor

C/H anchors last 5 to 10 times longer than traditional anchors. Extremely durable, lightweight galvanized steel. Standard and heavy-duty anchors are 16-inch and easily repositioned with the same driver (driver not included).

Ewing SKU	Type
68500000	Heavy-Duty

E

F

A Infield Cocoa Mop 24 x 18-inch

This cocoa mop is the perfect finishing tool for top dressed infields. Constructed with high quality cocoa material and a heavy-duty aluminum reinforced handle.

68510028

B Cocoa Mat Drag 6 x 4-foot with Leveling Bar

Pull by hand, infield tractor or grooming machine. Available with or without leveling bar. The leveling bar will cut down, redistribute and level out piles of loose soil or topdressing ahead of the cocoa mat drag. Recommended for fields with topdressing.

68510728

C Cocoa Mat Drag 6 x 4-foot without Leveling Bar

Constructed from natural cocoa fibers that float across the surface, producing a finish with minimal buildup of your infield.

68510723

D Double Play Monster Drag Broom

84-inch drag broom with three bristle rows.

28009145

E Steel Flex Drag Mop

Powder-coated aluminum handle is 66 inches long with an aluminum head and wrap around bracing. 24 x 18-inch.

68510008

F ProCage Bolt Field Drag 6-foot x 17-inch

A multi-use tool that breaks up and levels compacted infields for improved safety and playability. The dual action design bolts down for scarification, or flips over for leveling and excavation. Drag comes with pull chain that can be easily adjusted by moving to other pre-drilled holes.

68510242

Custom Spot Covers Available!

6-ounce Poly Spot Covers

The varsity grade field covers are composed of 6-ounce, woven polyethylene that is super light, waterproof and mildew resistant. The perimeter is double-sewn reinforced and heat-sealed with brass grommets spaced 3 feet across. Available in standard and custom sizes.

18-ounce Vinyl Spot Covers

All heavy duty covers are composed of 18-ounce reinforced vinyl and are cut full size then finished slightly smaller due to seams and hems. Grommets are spaced 3 to 4 feet apart around perimeter. Ground stakes included with all covers. Custom colors available. Also available in 10 feet, 12 feet, 30 feet and custom sizes.

Mats

EPS Turf baseball mats are made of the highest quality polypropylene or nylon fibers and come on a 5mm attached foam cushion with a flocked home plate. For indoor and outdoor cages and on-the-field BP. Will hold up to moderate spike-crest traffic. **Custom designs available.**

68590710	10 x 10-inch

C Strutron 8-inch Tamper

8 x 8-inch tamper with cast iron head and 44-inch yellow fiberglass handle.

28004277

D 8 x 8-inch Tamper Sleeve

Protective, slip-on tamper sleeve.

28004265

E 24-inch Push Broom

60-inch blue aluminum handle features a green non-slip grip. 24-inch broom head.

Ewing SKU	Type	Size
28009130	General Purpose	5-inch stiff bristles
28009120	Dual Bristle	3-inch soft bristles

F Contractor Corn Warehouse Broom

Durable corn fiber broom with wood handle.

28009290

14-gauge Front Turn Shovel

Front turn step shovel with 14-gauge no. 2 steel head and 48-inch hardwood handle.

Ewing SKU	Type
28002000	A Square Point
28002010	B Round Point

C Aluminum Scoop Shovel D-Handle

30-inch handle with steel and Northern Ash wood D-grip. High-strength 12-gauge aluminum head reduces workload.

28002410

D Toolite Sifting Scoop

14 x 17-inch sifting head with a 27-inch handle.

28002425

E D-Handle ABS Western Scoop Shovel

Plastic western-style scoop head with 30-inch wood handle and D-grip. Heavy-duty long service life.

28002440

SPORTS FIELDS

A Water Transfer Plastic Hand Pump

Hand pump with a 6-foot hose for valve boxes and other uses. Made of high impact PVC with a 1 1/4-inch outlet hose.

26009010

B 36-inch Squeegee

Aluminum handle, non-absorbent and absorbent squeegees.

Ewing SKU	Type
28009150	Absorbent
28009155	Non-Absorbent

C 2-Way Loop Action Hoe with Aluminum Handle

2-way hoe with a 60-inch handle. Includes a double-edged weeder bar for efficient push-pull action.

28000920

D 2-Way Loop Action Hoe Replacement Head

Replacement head and blade for the 2-way loop hoe.

28000925

E Steel Super Scraper

4-inch steel scraper with 54-inch wooden handle.

28002710

F

A Pick Mattock Head

The pick point for fracturing rock and concrete with an extra-wide mattock blade on the opposite side for breaking dense heavy soils. The head connects through an eyehole allowing easy switching of handles.

28001224

B Fiberglass Handle Pick Mattock

Manufactured from solid-core fiberglass with a thick molded poly jacket. The fiberglass handle dampens vibration from overstrikes to prevent breakage. The head is connected through an eyehold allowing easy replacement of the head.

28001250

C Poly Pick Handle

Professional grade fiberglass handle with Poly Guard. Works with any pick or mattock head sold by Ewing. Handle only. Pick sold separately.

28008560

D Hickory Wood Pick Handle

Professional grade Hickory wood handle with Poly Guard. Works with any pick or mattock head sold by Ewing. Handle only. Pick sold separately.

28001226

E 19-inch Steel Soil Probe

Includes a screw-on tip for sampling different soil types. Single piece construction.

42010760

F Overseed Enhancing Tool

12 self-sharpening steel star wheels penetrate any compacted soil. 9-inch head.

28509001

MAINTENANCE TOOLS MISC. TOOLS

A Ewing Green Excavator All Steel Wheelbarrow with Flat Free Tire

6-cubic-foot steel tray with steel handles and cushion grips. Includes standard knobby flat free tire with grease fittings.

28002800

B Dual Wheel Kit for Excavator Wheelbarrow

Fits the 6-cubic-foot steel tray. Includes one standard knobby tire with grease fittings. Excavator wheelbarrow sold separately.

28003112

C Hand Sod Roller

24 x 18-inch all-steel roller with metal bushings at the head-to-handle connections. 272-pound weight.

28003190

D Gandy Steel Lawn Roller

Made from sturdy 11-gauge steel. Features a 1-inch full-length axle running through the entire drum to prevent turf damage.

Ewing SKU	Type	Size
56004500	108 pounds empty and 434 pounds water-filled	18 x 36-inch
56004600	138 pounds empty and 575 pounds water-filled	18 x 48-inch

A The AccuPro 2000 Rotary Spreader

High quality rotary spreader with patented helical cone-adjust spread pattern for better accuracy.

56006010

B Spyker 175-pound Tow Behind Spreader

4 to 12-foot spreader width, compatible with UTV and other ride-on equipment with a universal trailer hitch.

56000550

C Ewing Pro Series 80-pound Turf Push Spreader

12-inch wide pneumatic tires for heavy-duty use. A fully enclosed gear system and a powder-coated, all-steel frame.

56002500

D Gandy Variable Rate Drop Spreader

Drop spreader with push-handle. Use to apply a variety of seeds, chemicals and fertilizers.

Ewing SKU	Type
56004100	36-inch
56004200	42-inch

E Field King Max, 4-gallon Backpack Sprayer

Provides maximum chemical resistance. Foldaway pump handle for easy storage. Can be configured for left or right hand pump operation. Professional stainless steel wand with comfort grip, lock-on feature and in-line filter.

56010800

F Field King Pro Backpack Sprayer

4-gallon tank with no-leak internal pump. Includes a brass adjustable nozzle, two flat fan nozzles and foaming nozzle. High-pressure piston pump sprays up to 150 PSI and low-pressure regulator sprays at 25 PSI.

56010840

G 2-gallon Contractor Hand Sprayer

2-gallon tank with chemical resistant commercial grand poly wand. 5-nozzle system includes a brass adjustable nozzle.

56010900

H Ewing 4-Gallon 20v Battery Powered Backpack Sprayer

Wide mouth battery powered backpack sprayer features a 20-volt Black & Decker lithium ion battery. Includes battery and charger for 1.75 hours of continuous spraying. Offers 25-30 PSI with a 35-foot maximum horizontal spray stream. Weighs 39 percent less than competitive units. Santoprene seals in the pump offering maximum chemical resistance. Cushion grip shut-off with built-in, serviceable filter to assure no debris can clog the nozzle tip. Deluxe padded straps offer comfort for prolonged use.

56010040

68002425	1-inch x 300-foot uncoupled bulk

D Ultralite High Pressure Irrigation Hose

Multi-purpose, lightweight, rigid 1-inch in diameter irrigation hoses

Ewing SKU	Size
68002450	1-inch x 50-foot
68002475	1-inch x 75-foot
68002500	1-inch x 100-foot

A Kocheck Quick Coupler Key with Relief Valve

Quick coupler key with flexible full flow hose adapter and relief valve. Fits most manufacturers quick coupler valves. Pressure relief valve allows you to safely remove the key without worrying about back pressure.

Ewing SKU	Type
68004150	1-inch
68004140	3/4-inch

B Field Repairable Coupling and Collar Set

Designed to fit Kocheck Dura Flow and GH series hoses. Provide the ability to field repair hoses or couple raw hose to any length. T6 powder-coated aluminum. Comes with four stainless steel fasteners, brass hose ends and an Allen wrench.

Ewing SKU	Size
68004200	3/4-inch
68004250	1-inch

C Reelcraft Hose Reel Cart

Hose pulls out for use and reels in for storage.

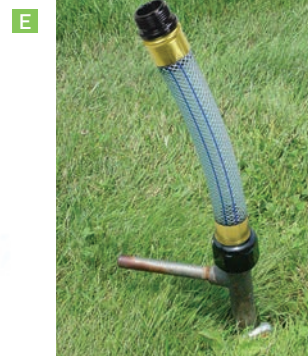

68006030

D Underground Hose Reel

Installed completely underground and enclosed in a high-density polyethylene (HDPE) vault. With a tug, the hose automatically returns underground.

68006000

E Kocheck Quick Coupler Key Hose Adapter

Attaches and can be adapted to any quick coupler key. Flexes without kinking. Delivers full flow capability.

68004100

F

A Kochek Adjustable Hose Nozzles

Provides a straight narrow stream and fog at 10 GPM before increasing volume to 24 GPM at optimum flow.

Ewing SKU	Type
68005005	3/4-inch
68005006	1-inch

B Kochek 1-inch Adjustable Hose Nozzles

Comes equipped with a "jump" feature to provide a stream and fog at 20 GPM. Provides 60 GPM at optimum flow rate to allow heavy watering of turf or infields.

68005010

C Kochek 1-inch High Volume Adjustable Hose Nozzle

Includes a "jump" feature. Perfect for heavy watering. 20-100 GPM.

68005015

D Kochek 1-inch Fixed Flow Rate Hose Nozzle

Provides both a wide fog and straight stream at an optimum flow rate of 35 GPM.

68005020

E Kochek 1-inch Multi-Mist Hose Nozzle

Four adjustable gallonage tips. Simply attach the desired tip and your spray pattern and flow. Ranging from 10 to 35 GPM. The droplet size and water flow can be customized.

68005035

F Kochek 1-inch Adjustable Fan Stream Nozzle

Adjustable fan stream nozzle allows users to apply the widest fan or adjust to a smoothbore stream reaching distances up to 80 feet. Also includes a unique shutoff feature.

68005030

A Kochek 3/4-inch Blue Streak Residential Hose Nozzle

Built with 3/4-inch garden threads. Low pressure ratings from 40 to 200 PSI and a maximum flow of 15 GPM.

68005050

B Kochek 1-inch Pistol Grip Hose Attachment

Equipped with a full time swivel at the supply end eliminating any twisting, turning or kinking. The upper handle pivots to operate as a shut-off providing maximum control of water flow while the handle's ergonomics provide control and comfort.

68510401

C Kochek Garden Hose Adjustable Nozzle

Blue Streak garden hose nozzles have a max flow of 12 GPH with a pressure range of 25 to 100 PSI. Fits all standard garden hoses.

68005040

D Beacon Pro Shot Hose Nozzle

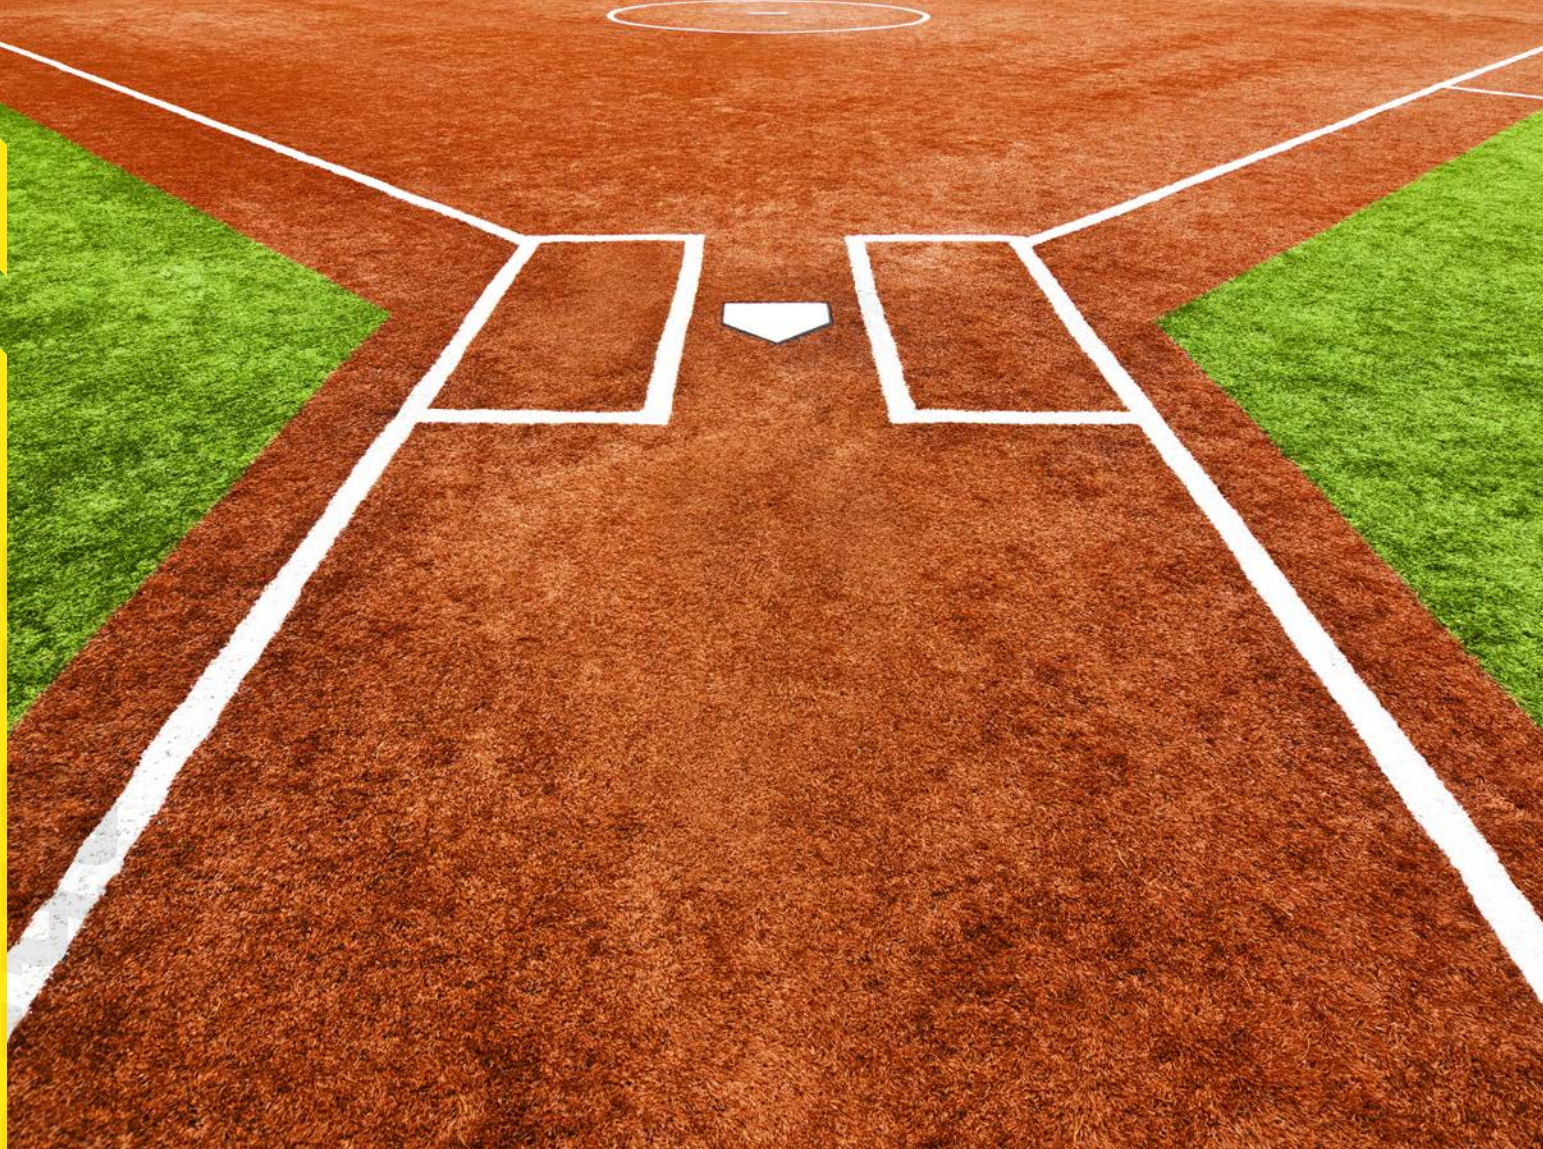

1-inch aluminum hose nozzle for smooth operation. Flush setting for clearing small particles.

68599770

E Hunter Adjustable Hose End Nozzle

Fully adjustable nozzle from a tight stream to a wide fan and can be manually shut off.

Ewing SKU	Type
68010110	1-inch
68010107	3/4-inch

A Shokray Blu Pellet Synthetic Turf Cleaner

A complete cleansing solution for artificial turf and more. Forms a blanket of long lasting protection and controls odor caused by bacteria and micro-organisms on surface areas. One pellet in Kochek's applicator will dissolve in approximately 1,000 gallons of water.

52550950

E Kochek Standard Pellet Applicator

Designed to apply pelletized wetting agents, surfactants and adjuvants to turf and ornamentals while being connected to an irrigation water source. For use with a 1 or 3/4-inch hose.

Ewing SKU	Type
52551000	Applicator
52551005	Replacement Bowl

A

B

C

D

E

F

G

H

A P-K Plus 3-7-18

Stimulates up-regulation of plant defense mechanisms like antioxidant and phytoalexin production. Also contains nutritional phosphate (P). Easily absorbed and translocated. 2.5-gallon jug.

51580420

B Gary's Green Ultra 13-2-3

Designed for use in all seasons and contains a non-ionic surfactant and buffering agent. Provides six products in one without the need for mixing

51580120

C Gary's Green 18-3-4

Designed to provide an efficient form of foliar-absorbed nitrogen, phosphorus, potassium and micronutrients for consistent turfgrass growth and recovery at golf turf sites. Fast, quality green-up without rapid growth. Optimizes turf density and color.

51580170

D Ultraplex 4-0-3

A liquid combination of macro and micronutrients, plant and root promoting stimulants, a buffering agent and plant soil wetting agents. This non-ionic organic surfactant enhances fertilizer response and can improve efficiency of plant protectants and plant growth regulator.

51580210

E Carboplex 6-4-4

Can be used as a foliar fertilizer or watered into the root zone as a carbon based liquid fertilizer. Contains a balanced micronutrient package and is a valuable tool for winter preparation.

51581220

F Tuff Turf 1-0-14

Supplies potassium (K), which can be quickly absorbed by the plant tissue when applied to foliar and provides tolerance to cold and hot temperatures, moisture stress and salinity stress.

51580370

G Nutra Green 5-10-5

Designed for turf, ornamental, shrubs, root injection, overseeding and aeration during spring green up. Works well on sand root zones often low in exchangeable phosphorus and fine textured soils where phosphorus is complex with clay minerals and/or calcium.

51580270

H Sili Kal B 8-0-4

A high calcium product combined with nitrogen and potassium for increased plant strength, heat tolerance and turf rigidity.

51580870

A Manganese Combo

Completely organically chelated micronutrient package. Compatible in most solutions containing phosphate. Nutrients are quickly absorbed for a fast response.

51581020

B A-O-K 1-2-24

Designed to be foliar applied and completely foliar absorbed while drying on the target plant. Promotes carbohydrate storage, stolon and rhizome growth, heat, cold and wear tolerance, while increasing the cell strength and improving salinity stress tolerance.

51480470

C Suprema 12-0-12

Completely organically chelated micronutrient package and has a 1:1 ratio of nitrogen to potassium for balanced inputs and micronutrients for optimum growth and health.

51580570

D Kelplex 1-2-2

Contains seaweed extract (*ascophyllum nodosum*) in a foliar form and is an excellent component of a summer stress management program to supplement existing foliar and granular fertilizer program.

51580970

E Microburst 0-0-1

Provides optimum turfgrass color and performance. Microburst also contains magnesium to maximize photosynthetic capacity. Helps to mask plant injury from PGR's and herbicide. Contains six micronutrients plus potassium and magnesium.

51580520

F Displace

A calcium and soil surfactant formulated to rapidly displace sodium from the soil and add calcium for improved soil structure and water infiltration.

51799900

G ZeroPhos 7-0-14

Multi-purpose plant foods specially designed for use in all seasons and contain micronutrients formulated with sucates. A soil conditioning fertilizer containing no phosphorus for use at environmentally restricted areas.

51480580

H Seven Iron 7-7-7

A starter fertilizer formulated to produce a dark green color and correct nutrient depleted soils.

51480190

SPORTS FIELDS

FERTILIZER, SEED & CHEMICALS

A Holganix

Holganix is a probiotic-filled, liquid compost tea-based product that contains many living microorganisms, which restore and balance soil to the performance level Mother Nature intended. Healthier turf can better withstand seasonal stresses including disease, drought and insects. Combines 12.6 percent slow-release nitrogen with quick-release 8.4 percent urea nitrogen source and the imperative Holganix food sources for the soil microbiology.

Ewing SKU	Type	Size
51597000	Holganix Blue Sky 21-0-0	2.5-gallon jug

51088500	Holganix 2-4-3 Granular Fertilizer Healthy Grow	50-pound bag

B Pro Turf Enhancer CarbonizPN Fertilizer 40-pound bag

A professional blend of premium organics and USDA Certified Biobased Biochar designed to permanently improve the health and efficiency of the soil. CarbinizPN Turf Enhancer also delivers stability and structure in the rhizosphere, which results in a healthier root system and decreased erosion.

54053510

C Pro Soil Enhancer CarbonizPN Fertilizer 40-pound bag

A professional blend of premium organics and USDA Certified Biobased Carbon that remains in the soil to increase fertility and water absorption while decreasing nutrient leaching. CarbonizPN™ also promotes a healthy, long-lasting biological rhizome.

54053520

D Nutri-Turf Foliar Fertilizer

Mirimichi Green products are designed for landscape professionals interested in using environmentally sustainable products that perform at the highest level. It fortifies soils with bio-activated, carbon based soil enhancers. Mirimichi Green maintains turf and trees with carbon-based bio-stimulants. It manages invasive weeds with an organic, OMRI listed herbicide. Some products available in bulk, ask a sales representative.

Ewing SKU	Type
51599100 + 51599103 + 51533105	Specifically formulated to help existing lawns and native grasses thrive. Available in 2.5-gallon, 1-gallon and 32-ounce jugs.
51599120 + 51599120	Contains more organic compounds designed to deliver the essential elements plants need in order to thrive. Comes in 32-ounce and 2.5-gallon bottles.
51599130 + 51599130	Made from Norwegian sea kelp. 100 percent cold processed to release and preserve kelp's beneficial constituents without harmful exposure to heat or chemical extraction. Comes in 32-ounce and 2.5-gallon bottles.
51599150 + 51599153 + 51599155	A natural bio-stimulant liquid fertilizer. The combination of instantly available organic compounds and organic carbon contained within is extremely resistant to microbial decomposition. Comes in 32-ounce, 1-gallon and 2.5-gallon bottles.

A Enclave Fungicide 2.5-gallon Bottle

A broad-spectrum combination of contact and systemic fungicides, with four modes of action. Delivers effective, long-lasting protection from anthracnose, brown patch, dollar spot, snow mold and broad range of ornamental diseases.

52410403

B Strobe 50WG Fungicide

Professional-grade broad spectrum preventive fungicide containing systemic and curative properties for controlling plant diseases.

Ewing SKU	Type
52411757	1-pound jug
52411759	6-pound jug

C Strobe 2L Fungicide 1-gallon jug

Broad spectrum fungicide with protectant, curative, eradicant and systemic properties. The formula is a liquid containing two pounds of active ingredient per gallon.

52411762

D Strobe T Fungicide 1-gallon jug

Azoxystrobin formula designed to be effective against all major turf diseases that injure both cool and warm season turf.

52411772

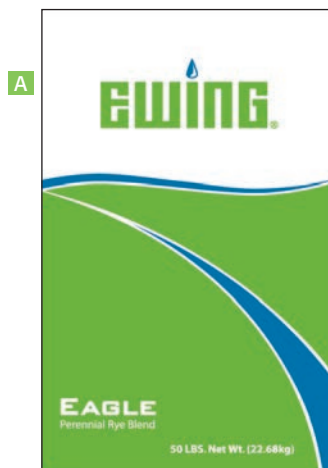

E QP T-NEX 1AQ PGR

Manages growth and improves quality and stress tolerance of warm and cool season turf grasses. Use this formula to improve rich color, lateral stems and root mass development, as well as aid in the production of healthy, durable blades.

Ewing SKU	Type
52601502	1-gallon
52601503	2.5-gallon

SPORTS FIELDS
