

News for Our Valued Partners

February 10, 2025

To Our Valued Partners,

Pentair remains committed to providing you, our valued customer, with exceptional support, services and products. As part of our ongoing efforts to navigate the evolving economic and regulatory environment, including in particular our consideration of current tariff conditions impacting our manufacturing costs, effective on the dates indicated below, we will adjust our pricing policies as follows:

- **Pricing Changes on February 11:** New pricing will go into effect for Residential & Irrigation Flow water supply/water disposal category products as of 12:01am on February 11. All orders accepted on or after February 11, 2025 will be subject to and confirmed at updated prices. Updated pricing will be available in our customer portal and will reflect an increase of 2-4% on products and up to a 10% increase on parts and accessories.
- **Orders Subject to Prior Price List:** Orders accepted prior to 12:01am on February 11, 2025 will remain eligible for the pricing in effect as of the date of acceptance.

Your Pentair Sales Representative is available to address any questions and guide you through this transition. We appreciate your understanding and partnership during this period and remain committed to providing high-quality products and services.
