

## **Pricing Bulletin**

### **Price Change Notification**

Monday, April 28, 2025

Dear Rain Bird Customer,

This notice is to inform you of an upcoming change to Rain Bird's pricing, effective Monday, May 19th, 2025, due to recent changes in tariffs and general inflationary effects. Please know that we have been working hard to manage our supply chain and absorb these additional costs, but they have reached a point where a price increase is necessary.

Current pricing will remain in effect for all orders received by Friday, May 16th, 2025, at 5:00 PM Pacific Standard Time and shipped before Monday June 2nd, 2025. Please note that orders entered before May 19th, 2025, for shipment after June 2nd, 2025, will have pricing adjusted to include this new price change.

We remain committed to keeping you informed should future circumstances warrant additional increases or decreases in prices. We truly value your partnership and want to thank you for your continued trust and support. If you have any questions, please don't hesitate to reach out to your Rain Bird representative.

Sincerely,  
Rain Bird Corporation
