March 21, 2025

As a result of rapidly escalating cost factors, we will implement a 10% increase for all Ductile Iron fittings products, effective May 5, 2025. Our revised price list will be available at [www.harcofittings.com](http://www.harcofittings.com).

We will accept pre-increase Ductile Iron orders at current price levels through Friday, May 2, 2025. Orders will be limited to 1/12 of your 2024 Ductile Iron purchases with Harco.

Should you have questions regarding our impending Ductile Iron price changes, please contact your Harco Sales Representative.

We appreciate your continued business.
