

ProAdvantage Credit on Account Instructions

Please follow the steps below to redeem your points for credit on your account. Please know, once you redeem your points it will take 48 hours to process the credit through.

1. Login to your online account [HERE](#)

Registered Customers

If you have an account with us, please log in.

Email *

Password *

[Sign In](#) [Forgot Your Password?](#)

* Required Fields

2. Once logged in, click on the ProAdvantage tab located at the top of the page. This will bring you into your ProAdvantage account, where you can view your points, redeem, and access the ProSolutions and Back Office resources.

**** Points Earned** is going to be the number of points you have available to redeem right now.

3. Click on Redeem Points, this will direct you to a new window.

ProAdvantage Points

Points Earned: 34,550

Pending Points: 1,797

[Redeem Points](#)

4. To get a credit on account you will click "Account Credit" located on the left-hand side

Dashboard

Account Credit

Announcement

5. Select how many points you would like to redeem. To enter a custom amount, select “Other” and enter the exact number of points (do not include comma). It will autogenerate what that \$ amount in credit will be.

<input checked="" type="radio"/>	Other	\$437.25
Enter Points to Redeem *		
87451		

6. You will then hit the Redeem button and your redemption will process through. Credits will show up on your account 48 hours after.
